

## PROFILE

# THOR OLAFSSON

## EXECUTIVE SUMMARY

A globally operating (over 25 countries) leadership coach and trainer since 2000, Thor is also the owner of Strategic Leadership GmbH. After founding several companies in 4 countries, he has served as a board member of various enterprises and is specialized in coaching senior business managers on authentic leadership, leading change and executing business strategy.

## AREAS OF SPECIALTY

### *Strategy Execution & Change Leadership*

Thor has increasingly been involved in coaching senior management teams through both strategy execution and change leadership projects. Subsequently he and his team have developed The 6 levels of strategic leadership, where Strategy, Structure and Leadership combine to positively impact company culture and drive business results. Today, Thor's foremost area of specialty is to coach senior teams on the combination of Strategy, Structure and Leadership.

### *Executive Coaching & Leadership Development*

Since 2000 Thor has been a globally active trainer, coach and master trainer in the area of leadership development. This is his second area of specialty, where he is passionate about the development of awareness, authenticity, commitment and trust in today's leaders. For this purpose he developed an effective coaching and training framework called The Inner Compass. Most of his leadership development coachees are either in the category of CEO / MD, or that of high potential managers who are being fast-tracked towards more responsibility.

### *Sales & Marketing*

For the last 20 years, Thor has been actively involved in b2b sales as a sales professional, sales manager, SVP Sales and marketing and as a trainer and coach in the area of sales. His third area of specialty is to coach sales managers on the optimization of their sales team's performance.
