

PROFILE

REB VEALE

EXECUTIVE SUMMARY

A dynamic and intuitive senior leadership, learning and development professional, experienced in both public and private sectors. With a continuous history of helping senior managers, business units and individuals to achieve their objectives through bespoke programmes, tailored coaching and development.

Reb gained experience in commercial management in the retail sector that later helped her to support managers after she moved into HR management. Reb has a number of qualifications and is an original member of Gloucester CIPD's Coaching Network. Reb is passionate about assisting clients flexibly to reveal their own solutions and resources to achieve their goals.

AREAS OF SPECIALTY

Extensive knowledge - Sound background in retail, commercial, manufacturing, team and change management to give credibility to development strategies. Thorough understanding of challenges and dynamics at senior levels in public sector organisations and commercial agenda in private sector – used to contextualize all learning, to drive 'real world' behavioural changes.

Workplace Transfer - Transferring the tools and ownership to business clients and colleagues and showing clear return on investment.
