

DOMINIK SCHOTT

EXECUTIVE SUMMARY

Dominik Schott is an expert at storytelling and body language. He is one of Germany's most renowned television voice talents and an experienced host of panel discussions and international conferences. As a certified business coach and international trainer, he helps leaders and teams to unleash their communication potential.

AREAS OF SPECIALTY

Presentation, Body Language, Storytelling

Dominik is an expert at storytelling and congruent body language. As a voice talent in German television he provides narration for shows, audio books and corporate videos. As a certified business coach, he helps leaders and speakers to be more convincing and engaging in staff dialogue and presentations. Dominik is also an experienced trainer for creativity, personal development and leadership communication. With his careers in different fields he is a living example of change and flexibility.

Facilitation

Drawing on his background in performing and journalism, Dominik has great expertise on how to inspire with words. After studying opera singing and acting, he has worked as a radio host and television presenter for more than 20 years. On stage he hosts panel discussions and corporate events in an entertaining and insightful manner.

CLIENTS

Dominik has worked for clients such as Arvato, Barilla, BASF, Bertelsmann, BMW, Bombardier, Bosch, Citrix, Commerzbank, Daimler E.ON, Kabel Deutschland, Lufthansa, Roche Diagnostics, Tchibo, Wöhr.
