

ENSURE HR CONTRIBUTES TO THE BOTTOM LINE. TAKE AWAY YOUR STRATEGIC PLAN...

Too often Human Resources is an afterthought in the strategic planning process. Many of our HR delegates come with problems such as how to help the business achieve its growth targets, how to integrate cultures, ensuring alignment, to achieve strategic business goals, how to excel at talent management and how to effectively engage their people.

We are offering you an opportunity to discuss your challenges, receive advice from our top executive consultant and leave with a clear plan to position the people agenda at the centre of your corporate strategy. Immerse yourself in insightful penetrative discussions with commercially aware industry experts, at this exclusive event. This session will help YOU to provide strategic competitive advantage to your business, through your people.

EXPLORE NEW WAYS TO:

- Show that HR is integral to business strategy
- Demonstrate how HR can achieve business goals
- Ensure HR contributes to the bottom line
- Create value through people
- Expand your role's reach from administration to strategic partner
- Define the skills needed to become a strategic contributor
- Achieve buy in from your top team - increase your influence

AGENDA:

10:00: Part One – HR Positioning diagnostic session
12:00: Complimentary lunch
13:00: Part Two – Strategic action planning session
14:30: End – Take away your aligned strategy

YOUR EXPERT:

Paul Tuck is known for his pragmatic approach along with his wealth of commercial knowledge and breadth of experience. He will be hosting the session.

"Really thought provoking. Has made me realise where else I can add value to the business and how to do it!" – Wales Cooperative Centre

"Paul's expertise was extremely valuable in re-focusing the strategic aims of HR. I'll be applying that in my new role" – BBC
