

PROFILE

KIRSTEN BOLLMANN

EXECUTIVE SUMMARY

Kirsten is an international trainer and business coach at Strategic Leadership and manages one of the company's biggest clients as key account manager. Previously, Kirsten worked in a brand consultancy, gaining more than 15 years business experience, where she was responsible for challenging brand and strategy projects. She has a wide range of consultancy experience exploring needs, understanding people and inspiring growth.

When working with her clients, Kirsten sets high standards combining strong business context into deep learning experiences in her training and coaching. Her clients value her empathy, passion to connect with people and especially her ability to go the extra mile. Kirsten's ambition is to help people grow and to become authentic and purpose-driven leaders.

AREAS OF SPECIALTY

Team Development & Communication

Kirsten is passionate about working with cross-functional teams and leadership levels at different stages. She is especially passionate about programmes which develop and strengthen leadership skills and lead to personal growth. She strongly believes that leaders can be more effective with a deep understanding of themselves and the effect they have on others.

Executive Coaching & Strategic Leadership Enabling

As a trained Co-Active Coach (Coaches Training Institute), Kirsten supports managers at all leadership levels. Her main focus is executive coaching in the light of strategy and change where she helps people to overcome individual challenges and removes barriers to improve performance. Her sensitive and empathetic coaching style supports individuals in raising their level of authenticity and increases their ability to claim ownership for themselves and as a leader.

CLIENTS

Kirsten has been involved in a wide variety of projects for different companies in different industries, with various structures and sizes.

Kirsten has trained and coached executives from companies such as e.g. Apollo, arvato and Roche Diagnostics.
